

LSHS & DHS '78, LSHS '77 & '79 REUNION PARTY

In order to properly acknowledge the milestone being reached by most of its members this year, the LSHS Class of 1978 will be hosting a “5-0 Reunion Party” on August 6th at the Niagara County Golf Course in Lockport. For the first time in LSHS class reunion history, this event will include participation from other classes, as DHS '78 and the LSHS classes of 1977 and 1979 are both cordially invited to attend this event. Perhaps this will start a new Lockport tradition of holding a “cluster reunion” of several classes from the same era. You will not want to miss this event, so plan to be there!
