Can You Help?

- The Sisters of St. Mary have a mission in the Dominican Republic and we have a Sister community in Haiti. In fact Sr. Rose Ann Cappola from Lockport is now missioned to the Dominican Republic. Haitian refugees are flocking into the Dominican Republic trying to receive medical care. We are sending all donations directly to the Dominican Republic and it will be shared with Haiti in order to help the Sisters address the urgent needs of the Haitian People. Donations may be sent to St. Mary Center-Mission Fund for Haiti 241 Lafayette Ave Buffalo, NY 14213. Thank You!
- Here is another project that might also appeal to you. Friends of the Sisters in Charleston, SC are organizing to buy a water purification unit and will permanently leave it in Haiti. It will provide 3,500 people a day with the water they need. Check out their web-site www.portlight.org Donations may be sent directly to them. Any questions, ask Sr. Mary 433-3966.

Thank you for your prayers and for your help!!
