YOUR RESPONSIBILITY CODE Know the Code It's Your Responsibility. Skiing can be enjoyed in many ways. At ski areas you may see people using alpine, snowboard, telemark, cross country or other specialized ski equipment, such as that used by disabled or other skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing that common sense and personal awareness can help reduce. Observe the code posted around Holiday Valley and share with other skiers the responsibility for a great skiing experience. This is a partial list. Please be safety conscious.
